

# Memorandum

**To:** Licensed Cart Vendors  
**CC:** IMPD  
**From:** Brandon Dickinson, Admin. License & Permits  
**Date:** 7/10/2014  
**Re:** Restricted Vending locations

---

On Monday May 19<sup>th</sup>, 2014 at 1200 Madison Avenue, my department hosted a public hearing regarding operational regulations specific to Vending Carts. Pursuant to Section 961-212 of the Revised Code for the Consolidated City of Indianapolis and Marion County, the license administrator has the authority to impose conditions on the operations of vending carts.

After considering the statements made by those in attendance and the Indianapolis Metropolitan Police Department, it has been determined certain areas of downtown Indianapolis are inadequate as vending locations due to public safety concerns. Vending cart operations on heavily traveled sidewalks impedes and prevents a safe flow of pedestrian traffic, thereby endangering the safety of the public, cart vendor, and law enforcement officers.

**Effective June 2, 2014, vending cart operations on the sidewalks listed below are strictly prohibited.** Cart vendors shall not utilize these areas even if they are located within a licensee's assigned franchise zone.

Failure to abide by the operational requirements in this regulation or those listed in Chapter 961 of the Revised Code will result in the suspension or revocation of the cart vendor license.

**Prohibited Locations:**

1. Sidewalks along Victory Field property on West Street, Maryland Street, Washington Street.
2. Sidewalks along Bankers' Life Fieldhouse property on Delaware Street, South Pennsylvania Street, and Bankers Life Court.
3. Sidewalks along Lucas Oil Stadium property on South Street, S. Capital Avenue, McCarty Street, and Missouri Street.
4. Sidewalks along Indiana Convention Center property on West Street, W. Maryland Street, and S. Capitol Avenue.
5. South Meridian Street sidewalks between Georgia Street and South Street.
6. State-owned property.
7. Sidewalks adjacent to United States Federal Courthouse property, Minton Capehart Federal Building and property.
8. Sidewalks adjacent to the Indiana War Memorial Plaza (Soldiers & Sailors Monument, American Legion Mall, Veterans Memorial Plaza, University Park, U.S.S. Indianapolis Memorial).
